

LITTLE CHIEFS

50 Hour Club

June 1 – August 13, 2018

Want to join the club?

All you have to do is put in some time during the off-season to improve your athletic skills. Spend at least 50 hours working on your athletic skills; speed, technique, strength, agility, etc., and earn a **free shirt**.

What activities qualify for the 50 hour club?

Gym activities are not required. Playing catch with the football, running distance, quickness/agility drills, shooting drills or playing basketball, volleyball skill development, are examples of activities that would qualify.

Do I have to be in the gym for my hours to count?

Absolutely not! You will need a parent or other adult to verify your time and activity. This can be done by running down a country road, playing catch with a group in the backyard, shooting shots in the driveway, or getting a group together to work on volleyball. You will need to have adult verification of hours and activities performed.

How do I get my shirt?

Total up all of your hours, and make sure that all hours and activities have been verified by a parent/guardian. Return the completed calendar to Jennifer Peskey. Be sure to put your name somewhere on the calendar before handing it in!

RULES:

- 1) Little Chief athlete (boys and girls) next year between grades 2-5.
